

Mendocino Redwood Company, LLC

POSITION TITLE: Registered Professional Forester (RPF)
WORK LOCATION: Ukiah, CA

SUMMARY

Provides assistance to the Area Forester in the preparation and completion of the Timber Harvest Plans (THP) and the administration of the activities of those plans.

ESSENTIAL DUTIES AND RESPONSIBILITIES include, but are not limited to the following. Other duties may be assigned.

- Develops and prepares the Timber Harvest Plan by performing research, organizing and analyzing field data, preparing the THP maps, analyzing air photos, and contacting outside resources if needed;
- Travels throughout the area defined in the THP and identifies unstable areas and flags boundaries of the areas defined in the THP;
- Records water course classifications, lake and protection zones and other relevant data as required to conform to the THP;
- Conducts surveys including botanical, archeological, raptor and spotted owl;
- Prepares field notes to use in writing the THP;
- Develops and administers vegetation and reforestation projects;
- Administers field operations including designing and building roads and logging activity;
- Marks timber and trains others to mark timber;
- Directs work of non-RPF Foresters and Seasonal Forestry Technicians.

QUALIFICATIONS

To perform this position successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. Must maintain and carry a valid California driver license and remain eligible and capable of operating company vehicles including automobiles and trucks in accordance with company policy guidelines. With appropriate training, an individual must be capable of safely and effectively operating (run, maneuver, navigate and drive in various types of territory) all terrain vehicles in accordance with company policy guidelines.

EDUCATION and/or EXPERIENCE

Bachelor's degree (B.A.) from a four-year college or university and three years related experience and/or training; or eight years of experience or equivalent education and experience. This position requires a Registered Professional Foresters license.

LANGUAGE SKILLS

Ability to read, analyze, and interpret common scientific and technical journals, financial reports, and legal documents, respond to common inquiries or complaints from customers, regulatory agencies, or member of the business community, write speeches and articles for publication that conform to prescribed style and format and to present information to top management, public groups, and/or boards of directors.

MATHEMATICAL SKILLS

Ability to apply advanced mathematical concepts and mathematical operations to such tasks as frequency distribution, determination of test reliability and validity, analysis of variance, correlation techniques, sampling theory, and factor analysis.

PHYSICAL DEMANDS

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this position. While performing the duties of this position, the employee is frequently required to walk, sit and communicate, occasionally required to stand; reach with hands and arms; climb or balance; and stoop, kneel, crouch, or crawl and frequently required to lift and/or move up to 10 pounds and occasionally lift and/or move up to 25 pounds. Specific vision abilities required by this job include close, distance, color, peripheral, depth perception, and ability to adjust focus. The employee must have ability to use directional compass and topographical maps.

APPLICATION PROCESS

Interested applicants should submit a letter of interest and a current resume with salary history to recruiter3@hrcllc.com.
