Dear Mendocino Redwood Company,

On behalf of the Fort Bragg Agriculture Department and students, I would like to thank you for your donation of the redwood fencing materials. Your contribution makes it possible for us to construct a fence around our student managed garden beds. This will help keep deer and other critters out of our gardens.

This year, we have set a goal to bring the department back by rebuilding the horticulture, mechanics and animal programs. This is only possible because of thoughtful contributions from people like you.

Once again, thank you for your generous donation and support.

Sincerely,
