Dear Mike, Jesse, Dean, and Liz.

Thank you all for showing our Yale and German around your Ukiah Mill and your Mendocino lands. Jesse, thank you spending the day with us and answering all of our questions. Dean, thank you for taking us around the mill – it was a treat! This day was one of the highlights of the two-week trip. The tour was very thorough and you answered all of the student's questions thoroughly!

Personally, I appreciate the time and effort you spent in giving a good tour as it helped this trip be successful and kept the students happy with me! If you are ever on the east coast and are interested in visiting hardwood management in southern New England, please let me know! I would love to show you around Yale-Myers Forest.

Sincerely,
