Dear Jesse,

On behalf of the Comptche Volunteer Fire Department, I would like to thank MRC for your recent grant of \$1800 towards the purchase of one Bendix-King command radio. These radios help us coordinate fire operations while working on the fire line and are an extremely valuable tool for us.

Without MRC's help, having an adequate number of these radios would simply not be possible. So as we prepare for the 2016 fire season, we find ourselves better equipped than ever to respond to our community.

So we thank you once again for being a huge supporter of CVFD over the years, and look forward to continuing this strong relationship.

Best Regards,

For CVFD
